Unless we have a Managerial ServSafe Certified person with an Allergens Certificate, we cannot make any food there. We cannot make anything at home and bring it to sell either. We will have a 10x20 for this event. More room to move around in, as well as, to sit in. We still need the generator, I forgot who had one. Sue checking with Vocational Coordinator on pamphlets to promote the school. School has eagle costume that maybe we can use for the PumpkinFest, Sue is checking on that. Need to know who is working the PumpkinFest also, by the time we meet.
